

ELECTRICAL ENGINEER CURRICULUM VITAE

PERSONAL INFORMATION

NAME: KOME MAKOGÉ ELVISE

TEL NO: +974 33 93 29 82

NATIONALITY: CAMEROONIAN

EMAIL: komemakogeelvis@yahoo.com

DATE OF BIRTH: 30TH JULY 1987

MARITAL STATUS: MARRIED

PROFILE

Skills: - Carrying out electrical (lighting, power, home/industrial automation systems) and ELV (fire alarm for conventional and addressable systems, BMS/HVAC, public address, access control systems, CCTV and many more) construction works to building projects
- Installation and maintenance of MCC, pneumatic, PLC, relays, switch gears

Career Objective: To obtain an electrical/ELV construction position within a growth oriented company where I wish to apply my designs, planning, quality management, project management and construction skills. The idea atmosphere would be entrepreneurial.

KEY SKILLS

Capable of initiating, planning, executing, monitoring & control and closing of electrical and ELV projects, carrying out designs, construction, systems coordination, site supervision, , project manager in project completion on: scope, time, cost and quality, through:

- Designs: system designs, bill of quantity (BOQ), load schedule, review IFC, as-builds, producing shop drawings, Gantt chart, technical report
- Elect/ELV coordination, quality inspection/management, project management, planning
- Carrying out containment/conduiting, Cable pulling, glanding and cable termination
- Device installation, Testing and commissioning, maintenance
- Close-outs: RFI's submittal, assisting PM in arranging documents for handouts of project

ELECTRICAL ENGINEER CURRICULUM VITAE

EDUCATIONAL PROFILE

2010-2012, Higher National Diploma in electrical/electronic engg from IUG Cameroon

2007-2008, BACC tech in electrical technology from gov't technical high school Kumba

2006-2007, Probatoire tech in electrical technology from gov't technical high school Kumba

2004-2005, Vocational aptitude certificate in electricity from gov't technical high school Ombe

PROFESSIONAL TRAINING

2016, Quality management in QA/QC from Chicago training center Qatar

2015, Industrial automation from ingenious power and control system Qatar

2014, Autodesk auto cads in drafting and designs from Aptech Qatar

2013, OSHA in safety management

PROFESSIONAL/WORK EXPERIENCE

Nov 2016-Mar 2018, Milestone Int'l Cameroon as electrical project engineer. Carrying out designs, BOQ, preparing gantt chart/ technical reports, quality inspection for fire alarm, fire extinguishers, lighting, power and auto sys in buildings

April 2014-Sep 2016, ETA star Qatar as sr electrical supervisor/engineer. Carrying out planning, construction, from containment/conduit, cable pulling, device installation, T&C, quality inspection, BOQ, as-build, shop drawings, close out for fire alarm, BMS, access control, public address, lighting, power, etc

Sep2013-march2014, Mechatronics Qatar as electrical engineer. Carrying out pvc/steel conduiting, cable tray/trunking, cable pulling, DB dressing, T&C for electrical and elv systems.

July2011-Aug2011, CDC Cameroon. Carried out academic internship on electric machines

Jan2013-Aug2013, SCR Maya & cie Cameroon as an electrical maintenance/construction technician. Carrying out design, installation and maintenance in electric motors, MCC, electrical control panels

2013 Carried out academic project on electrical construction project management

ELECTRICAL ENGINEER CURRICULUM VITAE

Aug2008-Sep2010 Paulo enterprice Cameroon as electrical supervisor. Carrying out design, construction,T&C in lighting and power system, security systems

April2012-Nov2012 Paolo enterprice Cameroon as electrical supervisor. Carrying out design, construction,T&C in lighting, power and fire alarm system

July2008-Aug2009, Top service printing press Cameroon as electrical technician. Carrying out maintenance and commissioning of all electrical systems

ACHIEVEMENT Researched & written a project on
- Fire alarm systems (Fire alarm system installation guide)
- Basic principles to electrical construction project management

OTHER EXPERIENCES

- Quick Learning, Flexibility and pro-active
- Strong leadership background and results driven
- Have a mastery of the regulation for the installation of electrical wiring, electrical equipment and air conditioning equipment by KAHRAMA according to BSS-IEC
- Ability to Deal with Changes in Work Environment and work with a team
- Computer awareness: Microsoft ware, excel, and design circuits using TINA,AUTOCAD
- Read, understand and interpret electrical, architectural and mechanical designs in the different systems
- Can carry out electrical quality supervision/inspection/management

EXTRA CURRICULAR ACTIVITIES

Carrying out research, Teaching, Reading, Football, Listening of music, Traveling, construction

LANGUAGES

Fluent in English, French, a little understanding in Arabic and Hindi

REFERENCE

Available upon request
