PERSONAL STATEMENT

I am a new-born nanny with 5-year experience and excellent references. I have worked in London and Belgium with several families taking care of new-borns, twins besides bigger kids. I have done shared care with mothers. I have 24/7 routine and always worked as a shorter-term (6-16 weeks), live-in nanny. I am unqualified but well-experienced. First-aid trained nanny, specialised for child-care and UK accredited. I own clean Hungarian Criminal Record which is also specialised for child-care. Furthermore, I have travelling nanny and first-time parents experience. References are for request.
